TORI puts up her thumb and raises it. TORI and ETHAN laugh again and SARA gets upset, walking over to the ticket counter.

CAMERA POV

LIAM is holding raw meats and vegetables while GRACE holds the camera and multiple lighters.

GRACE
(enthusiastically)
Ight, Liam. You ready to see if we
can cook a steak dinner in a
theater using only these lighters?
(holds the lighter up to
the camera)

LIAM
I just hope we get passed security.

GRACE
Don't worry 'bout it.
(looks into the camera)
We tight with the crew.

GRACE turns the camera off and puts it, along with the lighters in her pockets. LIAM attempts to hide the food in his pockets as well as under his shirt. They walk up to the counter. The trio, with ETHAN still looking disheveled, stare at the two, confused.

GRACE (CONT'D)
Sup, fam?

TORI
You know we can see what you're
doing, right?

GRACE and LIAM look at each other innocently.

TORI (CONT'D)
We're not stupid. I watched you
walk in with an ear of corn.

LIAM
(scoffs)
What?

SARA
Look, policy says "no outside food
or drink".
(she points to a nearby
sign)

LIAM takes the ear of corn out of his pocket and sets it on the counter top, however, he leaves the meats on him.

SARA (CONT'D)
Though I've got to hand it to you,
these pranks are getting more and
more creative.

LIAM

GRACE

Thanks!

We try!

← End

They attempt a high five and miss. They try again.

SARA (CONT'D)
I'll ring you up. What movie would
you like to see?

TORI
What haven't they seen? They come
in here almost every day.

ETHAN
Yeah, why do you keep letting them
in, Sara?

SARA
Some days they're the only business
we get.

SLOW MOTION

GRACE and LIAM point to what they want to watch and SARA gives them tickets. We hear the front doorbell ring and see TORI's demeanor change ultimately. Everyone notices and looks toward the door to see CHRISTIAN spraying a cologne cloud, and walking through it, toward them. Once he reaches the counter, LIAM grabs the corn.

LIAM
Thanks for the ticket, Sara!
