

From: Turpin Theatre Staff

To: Casts & Crews of *Pride & Prejudice* and *Into the Woods*

Thank you for auditioning and/or interviewing for *Pride & Prejudice* and *Into the Woods*. The Directors and Staff of Turpin Theatre truly appreciate the time, dedication, and effort that you put into this process. Creating the cast and crew lists has involved some very difficult decisions for us. Know that we take each individual's audition, interview and callback as a testament to their goals as an artist. We have carefully built a cast and a crew that best meets the needs of this show, and are excited to begin the rehearsal process!

The first rehearsal for *Pride & Prejudice* is Monday, December 4th, from 4:00pm to 7:00 p.m. in the Orchestra Room. You are required to be there for informational purposes and to begin the process of creating a superior production. We will be taking program headshots for ALL students involved in *Pride & Prejudice* this evening, so please wear a plain black shirt and be ready to look professional.

There is a **parent meeting** this same night as well. Inform your parents that the meeting will be from 6:00pm to 7:00pm in the cafeteria. They should attend so they can receive information about your, and their, participation in the production.

REMEMBER

- You or your parent/guardian must bring your \$70 show fee to one of these meetings.
- You and your parent/guardian **MUST** sign both the Expectation and Permission forms before this meeting. These can be found on either the audition or interview webpages.
 - Remember to wear or bring a **PLAIN BLACK SHIRT** for your headshot.

We use an online scheduling and communication platform called **Virtual Callboard** to organize schedules and information for our productions: www.ths.vcallboard.com. You will receive a Welcome email from this site soon.

If you have any additional questions, please take the weekend to gather your thoughts, after which you can contact Mr. Loebker (JoeyLloebker@foresthills.edu), Alec Bowling (alecbowling@gmail.com), or Evan DiTullio (ditullioe@gmail.com).

Thank you again for your participation in this production. We look forward to working with you!
