To the Cast & Crew of *A Murder is Announced* —

Thank you for auditioning and interviewing for *A Murder is Announced*. The Directorial Staff truly appreciate the time, dedication, and effort that you have put into this process. We firmly believe that every audition and interview is a unique work of art, and we are immensely proud of every one of you. Creating the cast and crew lists has involved some very difficult decisions for us, and we have carefully built these lists to best meet the needs of this show. We are excited to get to work with you all as we begin the rehearsal process.

The first production meeting for *A Murder is Announced* is Monday, November 30th, 5:00PM to 9:00PM in the Auditorium. You are required to attend for informational purposes, and to begin the process of creating a superior production. We will take program headshots for ALL students involved in *A Murder is Announced* this evening, so **please wear a plain black shirt and be ready to look professional**. You will also receive your script, **so please bring a binder**.

There is also a **parent meeting** this same night. Inform your parents that the meeting will be from 8:00PM to 9:00PM in the cafeteria, during which they will receive information about your, and their, participation in the production.
